

ROTAWN ENERGY AND LOGISTICS
MARINE / OFFSHORE SUPPORT SERVICES
PROFILE

EXECUTIVE SUMMARY

ROTAWN ENERGY & LOGISTICS was incorporated in 2007 with a vision to provide maritime operations and offshore support services in Nigeria's maritime and oil and gas industry.

ROTAWN has expanded to provide world class maritime support services as well as maritime security services to the Oil and Gas Industry where activities are progressively moving offshore and deep-water operations are becoming commonplace.

Rotawn Energy & Logistics specializes and has the requisite expertise and experience in the provision of Offshore Support Vessels Services, Maritime Security Services, Ship to Ship (STS) berthing/transfer operations, SBM, all forms of mooring activities and is poised to take on the challenge of delivering a wide range of maritime services to the oil industry in the entire Gulf of Guinea, in conjunction with our foreign technical partners.

We are an indigenous maritime operations and offshore support services provider in Nigeria, and we pride ourselves on our excellence in the provision of the following services among others:

- Providing offshore support services to oil production, oilfield services and maritime operators in the oil and gas sectors of the economy.
- Playing a leading role in providing STS operations in Nigerian waters.
- Providing Shipping Agency Services to vessels sailing from one port to another across Nigeria and Africa.
- Provision of effective, efficient and secured Maritime Security Services within and beyond the territorial waters of Nigeria.

OUR VALUES

Uncompromising Integrity – Professional Competence – Safety – Highest Quality Standards
– Cost Effectiveness

OUR VISION

To be a leading indigenous company providing world class marine/shipping services solutions to the Nigerian Maritime Industry as well as the entire Gulf of Guinea through innovative ideas, quality services, optimum utilization of resources and the deployment of the best local and international manpower capabilities.

OUR MISSION

We will continue to execute and provide solutions utilizing industry best practices in order to meet and surpass our clients' expectations. We will continue to contribute in a profitable and socially responsible manner to the sustainable development of the maritime and offshore support services industry in Nigeria and the entire Gulf of Guinea.
